

Arette

Tequila Añejo 100 % Agave

An elegant tequila with typical flavours from agave grown in the lowlands around the town of Tequila. Arette Añejo is produced by the quality-conscious distillery Destiladora Azteca de Jalisco. Arette Añejo is best served as an exclusive digestive/avec slightly chilled at 18°C in Riedels tequila glasses. This tequila goes particularly well with chocolate, especially dark orange-flavoured chocolate. Arette is also available as Blanco and Reposado.

Character

Golden yellow. Flowers, mostly violets are evident. Citrus; lemon and orange are other aromas. Elements of mint, not so much oak but rather the character from it's raw material which is typical for this tequila producer. Opens softly and sweet, with orange and hints of of oak. Relatively long finish with black pepper and citrus.

Manufacturing

The agave that is used in the making of this tequila is cultivated in fields in the outskirts of the town Tequila. This gives a relatively high fibre content and low water content, which often adds aromas of citrus and herbs. The agave is cooked in an autoclavé, which extracts aromas from the raw agave plant. It has been aged for eighteen months in barrels previously used for aging bourbon and whiskey.

Distillery

Destiladora Azteca de Jalisco is owned by Eduardo and Jaime Orendain. The two brothers grew up in a family that has been very important for the tequila industry and the town of Tequila. Their father owns one of Mexico's biggest tequila distilleries (Orendain), and Eduardo has been both mayor in Tequila and president of Camara Nacional de la Industria Tequilera.

Hard Facts
