

Arette Gran Clase

Tequila Extra Añejo 100 % Agave

Arette Gran Clase is a limited product; only 20 barrels are produced each year, which makes it difficult to come across. Arette Gran Clase is a single-barrel tequila and every bottle is marked by hand. Arette Gran Clase is best served as an exclusive avec slightly below room temperature in a Riedel tequila glass, perfectly combined with Orangettes (orange zest covered with dark chocolate). It has a perfect balance between agave and barrel.

Character

Dark amber. Elegant tequila with notes of peach and citrus, vanilla and coffee. Hints of sherry, anis and smoke can also be found. It opens with almond and chocolate that spreads in the mouth and finishes off slightly salty. It's fine balance meets the high expectations with ease. The greatest thing about Arette Gran Clase is the interplay between aromas and taste.

Manufacturing

The agave is cultivated in fields in the outskirts of the town Tequila. This gives a relatively high fibre content and low water content, which often adds aromas of citrus and herbs. The agave is cooked in an autoclavé, which extracts aromas from the raw agave plant. It is aged for three years in American oak barrels, that have previously been used in the makings of Early Times bourbon.

Distillery

Destiladora Azteca de Jalisco is owned by Eduardo and Jaime Orendain. The two brothers grew up in a family that has been very important for the tequila industry and the town of Tequila. Their father owns one of Mexico's biggest tequila distilleries (Orendain), and Eduardo has been both mayor in Tequila and president of Camara Nacional de la Industria Tequilera.

Hard Facts

Category	Distiller	Weight/bottle
