

Arette

Tequila Reposado 100 % Agave

A rough, flowery reposado from the praised producer Destiladora Azteca de Jalisco. Perfectly suited as a digestif, slightly chilled in a Riedel tequila glass or accompanied with rich fish, seafood dishes or swedish herring. Arette is this producers base line of tequila 100 % agave, and it is also available as Blanco and Añejo.

Character

Pale Golden. Citrus, honey, flowers, and some pepper aromas are to be found in this tequila. Opens a bit more robust than Arette Suave, continues with traces of citrus, herbs and honey. Finishes with long and balanced peppery aromas. A tequila typical of the quality produced in the town of Tequila, at it's best.

Manufacturing

The agave that is used in the making of this tequila is cultivated in fields in the outskirts of the town Tequila. This gives a relatively high fibre content and low water content, which often adds aromas of citrus and herbs. The agave is cooked in an autoclavé, which extracts aromas from the raw agave plant. It has been aged for four months in barrels previously used for aging bourbon and whiskey.

Distillery

Destiladora Azteca de Jalisco is owned by Eduardo and Jaime Orendain. The two brothers grew up in a family that has been very important for the tequila industry and the town of Tequila. Their father owns one of Mecixo's biggest tequila distilleries (Orendain), and Eduardo has been both mayor in Tequila and president of Camara Nacional de la Industria Tequilera.

Hard Facts
