

Arette Suave

Tequila Reposado 100 % Agave

Flowers and herbs defines this tequila reposado from the praised producer Destiladora Aztec de Jalisco. It is best served in a Riedel tequila glass slightly chilled. An exciting alternative is to try it accompanied with seafood, it compliments crayfish especially well. Arette Suave is part of this producers ultra-premium line and is also available as Blanco.

Character

Pale golden. Citrus, grass, traces of oak and evident traces of mint and flowers. Opens softly and relatively dry, passes into orange and black pepper with a long finish of pepper and sweetness. A very elegant and complex reposado, with a fine balance between the agave and the barrel.

Manufacturing

The agave is cultivated in fields in the outskirts of the town Tequila. This gives a relatively high fibre content and low water content, which often adds aromas of citrus and herbs. The agave is cooked in an autoclavé, which extracts aromas from the raw agave plant. Arette Suave Reposado is twice distilled in stainless steel pot stills. It has been aged for eleven months in Bourbon barrels.

Distillery

Destiladora Azteca de Jalisco is owned by Eduardo and Jaime Orendain. The two brothers grew up in a family that has been very important for the tequila industry and the town of Tequila. Their father owns one of Mexico's biggest tequila distilleries (Orendain), and Eduardo has been both mayor in Tequila and president of Camara Nacional de la Industria Tequilera.
