Character

Golden. Sweet, fruity, chocolate, vanilla and cedarwood. A soft entry leads to a sweet and fruity nose with medium body. Aromas of pepper, cedarwood, vanilla and a certain hint of spices. Finishes with chocolate, spices and a breath of heat. A very elegant and seducing tequila 100 % agave, that has kept it's agave aromas though aged for six years.

Manufacturing

The agave that is used in the making of this tequila is cultivated in fields in the outskirts of the town Tequila. This gives a relatively high fibre content and low water content, which often adds aromas of citrus and herbs. The agave is cooked in an autoclavé, which extracts aromas from the raw agave plant. It is aged for six years in two kinds of American white oak barrels and in French Limousine.

Distillery

Destiladora Azteca de Jalisco is owned by Eduardo and Jaime Orendain. The two brothers grew up in a family that has been very important for the tequila industry and the town of Tequila. Their father owns one of Mexico's biggest tequila distilleries (Orendain), and Eduardo has been both mayor in Tequila and president of Camara Nacional de la Industria Tequilera.
