

Herencia Historico

Tequila Extra Añejo 100 % Agave

Herencia Historico was awarded the best tequila añejo in Sweden in 2006 by drink magazine Apéritif. It has a unique origin, the 27th of may 1997 an agreement was reached between Mexico and EU that stated the appellation of origin for tequila within the EU-countries. The very same day Don Manuel Garcia went to Jeres and bought 100 sherry-baqrrels from which he now extracts his Extra Añejo Solero Tequila 100 % Agave. This was done to honour the historic day, hence the name Herencia Historico. Serve it as an exclusive avec in Riedel tequila glass to the exclusive spirits-enthusiast.

Character

Dark amber. Distinct aromas of sherry, full body. Aniseed, cinnamon and acidness. It's long ageing as a Solera - the oldest cask being 9 years old - adds a certain character of wood. Opens with fire and finishes with a cacao and coffee-fullness.

Manufacturing

Tequilas del Señor's agave fields are located in Los Altos, but the distillery is placed in the outskirts of Guadalajara next to the beautiful colonial paths of Tlaquepaque. The agave is cooked in an autoclavé, which extracts aromas from the raw agave plant. Herencia Historico is twice distilled in pot stills made of stainless steel. Herencia Historico is a six level solera, that has been aged at an average of 5 years in spanish sherry-casks. A maximum of 10 000 liter is made every year.

Distillery

Tequilas del Señor was founded in 1943 by Don Cesar Garcia who passed it on to his son Manuel Garcia Villegas to carry out the business. Tequilas del Señor is one of the biggest tequila producers in Mexico, though they don't come close to the volumes that José Cuervo and Sauza produce.
