

Herencia de Plata

Tequila Blanco 100 % Agave

Herencia de Plata Blanco won the gold medal at International Review of Spirits Award in 2003. Herencia de Plata is also available as Reposado and Añejo, the Reposado having received silver medal at the "Guldkorke" awards at Vin & Avelmässa 2005 and gold medal in International Review of Spirits Award 2003. Herencia de Plata is best used as a base for exclusive cocktails and drinks, and it also works fine as a digestif.

Character

Clear. Herbs, dates, hints of smoke, citrus, pepper. Relatively dry entry with citrus and herbs. Finishes with sweet fruitiness and blackpepper. A clean, elegant and typical blanco from this region.

Manufacturing

Tequilas del Señor's agave fields are located in Los Altos, but the distillery is placed in the outskirts of Guadalajara next to the beautiful colonial paths of Tlaquepaque. The agave is cooked in an autoclave, which extracts aromas from the raw agave plant. Herencia de Plata is twice distilled in pot stills made of stainless steel.

Distillery

Tequilas del Señor was founded in 1943 by Don Cesar Garcia who passed it on to his son Manuel Garcia Villegas to carry out the business. Tequilas del Señor is one of the biggest tequila producers in Mexico, though they don't come close to the volumes that José Cuervo and Sauza produce.
