## Tequila Reposado 100 % Agave

Herencia de Plata Reposado received the gold medal in the International Review of Spirits Award 2003, the silver medal at Vin & Avecmässan 2005 and was "Highly recommended" in the wine and spirits magazine "Livets Goda" #17 2005. Herencia de Plata is not only suitable as an exclusive avec or apertif, it is also a great base for cocktails. Serve it slightly chilled around 16°C in a Riedel tequila glass or as the base in your cocktail. Another exciting alternative is to serve it in a champagne flute with a cube of ice. Herencia de Plata is also available as Blanco and Añejo.

### Character

Golden. Hints of sweet aromas such as vanilla and cedar wood. Opens with a light touch of fruit, medium body with pepper, dried fruit, vanilla and spices. Finishes with chocolate, a spicy, salty snap and a breath of heat.

### Manufacturing

Tequilas del Señor's agave fields are located in Los Altos, but the distillery is placed in the outskirts of Guadalajara next to the beautiful colonial paths of Tlaquepaque. The agave is cooked in an autoclavé, which extracts aromas from the raw agave plant. Herencia de Plata is twice distilled in pot stills made of stainless steel and then aged in whiskey barrels.

### Distillery

Tequilas del Señor was founded in 1943 by Don Cesar Garcia who passed it on to his son Manuel Garcia Villegas to carry out the business. Tequilas del Señor is one of the biggest tequila producers in Mexico, though they don't come close to the volumes that José Cuervo and Sauza produce.
