

# Reserva del Señor

## Tequila Reposado 100 % Agave

A fine reposado with all the typical characteristic features from Tequilas del Señors aged tequila 100 % agave - vanilla, butterscotch and chocolate. Perfectly suitable as an avec in a Riedel tequila glass, but also compliments flavours of rich blue cheeses. Recieved double gold-medal at the San Francisco World Spirits Competition 2003 and another gold medal at The Beverage Testing Institute 2004 "Highly recommended". Reserva del Señor is also available as Blanco and Añejo.

### Character

Golden. Vanilla and butterscotch dominates this reposado. Elements of av pear and cacao. Opens with honey and vanilla, notes of oak and butterscotch, a relatively long finish with pepper, chocolate and sweetness. A powerful reposado that's been given many flavours from the barrel.

### Manufacturing

Tequilas del Señor's agave fields are located in Los Altos, but the distillery is placed in the outskirts of Guadalajara next to the beautiful colonial paths of Tlaquepaque. The agave is cooked in an autoclavé, which extracts aromas from the raw agave plant. Reserva del Señor is twice distilled in pot stills made of stainless steel and then aged in whiskey barrels.

### Distillery

Tequilas del Señor was founded in 1943 by Don Cesar Garcia who passed it on to his son Manuel Garcia Villegas to carry out the business. Tequilas del Señor is one of the biggest tequila producers in Mexico, though they don't come close to the volumes that José Cuervo and Sauza produce.
